

servFaces Glass Cleaner (Ready-to-Use)

servFaces Glass Cleaner is a modern and ready-to-use cleaning product, which is gentle on glass material and provides a streak-free result. The product is also suitable for use on plastic surfaces. The product can be used universally and effortlessly to remove nicotine, grease and oil.

Application Areas:

- Glass facades and windows
- Windscreens
- Plastic windows
- Window frames
- Glass tables and Mirrors

Characteristics:

- Free from Silicone
- Environmentally friendly
- Streak-free cleaning
- Highly concentrated
- Strong cleaning performance
- Economic cleaning, less resources

Application:

Spray the surface with Glass Cleaner and using a microfiber cloth remove the dirt. Stubborn dirt can be removed by allowing the Glass Cleaner to soak for a while; this will make the cleaning easier.

Recommendation: for an optimal result use servFaces Glass Cleaning Towels.

Do not apply the product or leave to dry in direct sunlight.

Usage: 5 - 10 ml / m²

Application Temperature: +5°C to +30°C

Storage and Shelf Life: at least 12 months at room temperature sealed in its original container.

Storage Temperature: +10°C to +25°C

Always protect the product from direct sunlight and frost.
